

# British Columbia Association of Mathematics Teachers

## GRANT APPLICATION FORM

The BCAMT will be funding several mathematical initiatives throughout BC. These initiatives must meet the Goals and Objectives of the BCAMT. Please note: this grant is not meant for individual professional development.

BCAMT Goals for 2011-2012:

- #1 **Professional Development:** to promote excellence in Mathematics education throughout the province by promoting professional development in all aspects of Mathematics education.
- #2 **Curriculum:** to promote the development and implementation of sound curriculum and the selection of appropriate resources.
- #3 **Communication / Public Relations:** Promote excellence in Mathematics education throughout the province by promoting good communication with members, other educators, Ministry of Education, parents, students and the community.
- #4 **Membership:** Promote excellence in Mathematics education throughout the province by maintaining current BCAMT membership and recruiting new members from all levels of mathematics education.

The BCAMT values the sharing of ideas and requests that successful applicants submit a summary of their initiatives with its highlights for publication in a future Vector or newsletter.

All applications must be postmarked no later than **November 18, 2011**. Applicants will be informed about funding after approval by the BCAMT Executive. Successful applicants may wish to re-apply for funding each year but are not guaranteed continued support.

Complete this form and be sure to include:

- a rationale for funding request (maximum of 1 page)
- details of your initiative (maximum of 1 page)
- a detailed budget. (List expenses, other funding, etc.)
