The advertisement features the Pearson Mathology/Mathologie logo at the top, which includes a stylized orange and green icon. Below the logo is a photograph of two young children, a boy and a girl, sitting at a desk in a classroom, looking at a book. The boy is pointing at the book. The background is slightly blurred, showing other students and a teacher. At the bottom, there is a dark blue banner with white text and a yellow button with the website URL.

Pearson Mathology/Mathologie is a set of K-6 (soon K-8) print AND digital Math resources written in English and in French that engage students while building math confidence and a growth mindset. Mathology/Mathologie has been carefully researched and co-developed by Math educators across Canada.
