

May 17 • 8:30 - 3:00

BCIMC2019

BC Interior Math Conference: Targeting Mathematicians

Brocklehurst Middle School
945 Windbreak Street

Keynote: Who's Doing the Math?

Marc Garneau

Drawing from examples and experiences across K to 12, Marc Garneau will guide us through thinking not just about who is doing the math, but what it means to do math, especially in light of the revised curriculum and its implications for instruction and assessment.
